the Mike

Father Walter "Dutch" Gonter, well known to St. Michael's football and baseball fans of an earlier era died suddenly on August 25th.

Father Gonter was founder and pastor since 1940 of St. Aloysius Gonzaga Parish in Cheektowaga a suburb of Buffalo. He was 62 years old.

ALUMNUS HEADS ATOMIC PROGRAM

Bill Bennett, '34, President and managing director of the Eldorado Mining Corporation, has been named President of Atomic Energy of Canada Limited the organization set up a year ago to continue the work at Chalk River and for the development of all aspects of atomic energy in Canada.

The government plans to amalgamate the two companies in order to tie in raw materials with the engineering and scientific part of atomic energy development. As director of this new undertaking Bill will be charged with the responsibility of administering Canada's expanding atomic energy program.

WASHINGTON MEETING

Father Shook, Superior of the College, recently went to Washington to attend the installation of the new Chancellor of Catholic University of America. His presence in the national Capital was the occasion for a rallying of the College alumni in the District of Washington. Unfortunately we do not have the addresses of all the St. Michael's Alumni living in that area but under the aegis of George Koerner, '37, and assisted by Major Neil Sullivan, '37, and Private Tony Adams, '51, and Steve Carr, '51, a dinner party of twenty-

two alumni entertained Father Shook. Coloured movies taken around the College this Fall and featuring alumni who have visited here in recent months were shown. Besides those mentioned above, Alumni attending the dinner were: Larry Moran, Jack Wilpers, Mary Heffer Alexander, Father Cyprian Lynch, OFM., Frank and Anne Seutle, Marne Baechlu Welt, Audrey Gilmon Spelman, Edith McGovern, Marion Shantz Bellisle, George Johnson, Jim Dewey, Rev. Wilfrid Dewan,
